Fact Sheet Updated 07/22/21

WHAT IS THE DISTRICT 1 ACTIVE TRANSPORTATION PLAN?

The District 1 Active Transportation Plan is part of a comprehensive effort to identify locations with bicycle and pedestrian needs in each Caltrans district across California. This Plan identifies challenges to people's ability to walk, cycle, and reach transit on the state highway system in Del Norte, Humboldt, Lake, and Mendocino Counties.

WHAT'S INSIDE THE PLAN?

The Plan identifies pedestrian and cyclist needs on and across the state highway system and prioritizes highway segments and crossings to inform future investments. The Plan's main output is a list and map of location-based needs and prioritized highway segments.

The Plan also includes information on statewide context, public engagement, walking and cycling in District 1 today, and next steps.

HOW CAN I REVIEW THE PLAN AND PROVIDE COMMENTS?

The Plan has two elements--a Summary Report and a Story Map. The Summary Report provides an overview of the planning process and some key context and findings. The Story Map provides an opportunity to view and interact with a series of maps that highlight the pedestrian and bicycling issues, needs, and opportunities described in the Summary Report.

Access the
Summary Report and Story Map at
